Introduction to the Voter Guide

Church Voter Guides is an independent 508c1a faith-based nonprofit organization. We serve the public by providing objective research and education on matters specifically of interest to Christians, primarily through the production and distribution of 501c3-compliant, nonpartisan Voter Guides.

Church Voter Guides does not endorse or oppose any candidates for public office or any political party.

We are based in Colorado Springs, and the April 2021 City Council election in our hometown was our inaugural project, followed by Voter Guides for the 2021 Pikes Peak Region School Board Elections, the 2022 State and El Paso County Assemblies, the 2022 Statewide and El Paso County Primaries and General Election, and the 2023 Colorado Springs Municipal Elections for Mayor and City Council, including the Mayoral Runoff Election. Our Voter Guides are distributed electronically-only through our website via downloadable and printable PDF files, as well as mobile-friendly interactive webpages.

The purpose of our Voter Guides is to educate and inform voters of each candidate's positions on a variety of policy issues that they are likely to address if elected. As a Voter Guides designed to be promoted through Churches, we ask the candidates questions on topics that are of utmost interest to the Christian voter.

How to Get the Most Benefit from this Voter Guide

The core information in this Voter Guide comes directly from the candidates themselves. We asked them questions, they answered (with a 120 word limit), and we have published their responses here verbatim. In order to understand and utilize this information to the fullest, so that you may vote in the most informed way, we suggest the following:

1. Pray and ask the Almighty for discernment. The Kingdom of God is all about truth, while politics is a system fraught with compromise. Make sure you consider the candidates' answers with a Heavenly mindset.
2. Ask yourself, "Did the candidate actually answer the question, or rather side-step it, or give a fluff, wishy-washy, and/or 'political' type answer that leaves you not really knowing where he/she truly stands on the issue?"
3. Learn more about the candidates, including their positions on issues we did not cover in our Questionnaire, by visiting their official campaign websites. The website URL for each candidate is listed in the Voter Guide, if they have one.
4. Use search engines to find additional information about each candidate, including written articles and videos, other voter guides, and even voting records for those who have served in public office before. You may even want to watch online recordings of governmental meetings, as well as events held by candidates and organizations, to learn more about each candidate.
5. Reach out to the candidates themselves through the provided email addresses and other means, in order to ask them questions of personal importance, as they are (supposedly) running for their office in order to represent you. Please make sure to show great respect toward each candidate and his/her time, especially to those with whom you disagree. Running for office is hard, stressful, time-consuming work, and these are your fellow citizens who have lives, families, jobs...and feelings (just like you!)

What makes a Voter Guide 501c3 - compliant and Nonpartisan?

Federal tax law permits nonprofit 501c3 organizations to develop and distribute materials about political candidates' positions on issues, in order to educate voters impartially and on a nonpartisan basis; meaning that it is free from party affiliation, bias, or designation. The IRS states that 501c3 organizations may conduct any range of activities to promote voter participation and educate voters so long as it is nonpartisan. But, 501c3 organizations are explicitly prohibited from supporting or opposing candidates for public office or political parties.

Some of the activities 501c3 nonprofits MAY perform: Conduct or promote voter registration; educate voters on the voting process; distribute nonpartisan sample ballots, candidate questionnaires, and **voter guides**; organize get-out-the-vote activities; encourage and help people to vote; educate the candidates on issues important to their organization; and continue to do issue advocacy during an election.

So, first and foremost: **Church Voter Guides** does NOT endorse or oppose any candidates for public office or any political party.

Second, all of our staff and volunteers are required to act in a nonpartisan manner when working for or representing the organization and the creation of the Voter Guide.

Third, we do not edit, revise, or editorialize candidate responses to our Questionnaire. We do not even correct typos. **Candidate answers are published verbatim**, ensuring that their responses accurately represent their positions and perspectives on these issues. We then simply share this information through the Voter Guide, and you decide whom you believe to be the best candidate.

To be fair and impartial, we reached out by email and text, as well as by phone and their website contact form when determined necessary, to all registered candidates running for Mayor and City Council in the 2023 Colorado Springs Municipal Election, inviting them to answer our Questionnaire. Candidate information is presented in ballot order. If a Candidate did not respond at all, or did not choose to participate, or did not choose to respond to certain answers in the Questionnaire, then that is noted where applicable. The two remaining Mayoral Candidates are listed herein.

Securing Constitutional Liberties: In recent years, established freedoms, including that of speech, peaceable assembly, exercise of religion, and medical autonomy, have been impacted by various mandates adopted by schools across America. As an elected representative of the citizens of your district, how would you seek to secure the Constitutional liberties of your schools' students and staff?

Candidate Information

Campaign Website URL:	None
Email Address:	None
Occupation/Vocation:	Director
Resident of Pikes Peak Region & District:	43 years and 7 years

Political Leanings: As a candidate in a nonpartisan School Board election, you are not officially associated with any specific political party. How would you describe your political leanings (socially, fiscally, etc.) and why do you define yourself in this way?

Just do what is right and the rest will follow.

Your Experience and Vision: What experience (personal, professional, other) would you bring to your role as School Board Member that will benefit your district? What is your vision to help ensure the highest quality education for your district's students?

Candidate chose to not answer.

Improving Schools: What are the primary strengths and weaknesses of your district's schools? How can your district make public school a more attractive choice for local families?

We are small community with big heart.

Curriculum: What types of curricula, including library books and materials, do you believe should be added or removed from your district's schools? Why?

Candidate chose to not answer.

Financial Stewardship: Depending on the size of their district, School Board Members decide how to spend \$10s of millions of dollars, or even \$100s of millions, in taxpayer money each year. How would you seek to prioritize the funds being stewarded by your district's School Board?

Keeping the needs of the school/teachers/kids so we can continue to excel in exceptional knowledge and life skills for the kids to excel in life .

Securing Constitutional Liberties: In recent years, established freedoms, including that of speech, peaceable assembly, exercise of religion, and medical autonomy, have been impacted by various mandates adopted by schools across America. As an elected representative of the citizens of your district, how would you seek to secure the Constitutional liberties of your schools' students and staff?

Candidate chose to not answer.

Parental Role: What do you consider to be a parent's role in a child's education? Do you believe that any information about a student should ever be withheld from a parent?

The parent is the first line of teaching a child.

It is not the school that needs to teach them how to behave.

Sex Ed: Why do you support or oppose comprehensive sexuality education, including LGBT health and relationship information, in public schools K to 12? Explain your positions regarding age appropriateness, curriculum transparency, and opt-out policies?

Age appropriate. Do not force a child to make a decision that they can not fully understand. Do not force your sexuality preferences on a kid who is not old enough to understand right from wrong/vote/drink/ live on their own. Not every person wants to hear about it should be their right as well.

Gender Issues: Explain your positions regarding teaching and discussing gender issues in the classroom, including the use of “preferred pronouns”?

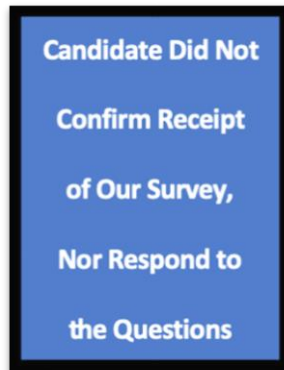

Again forcing a child to try to understand something they are not ready to deal with is wrong. If the child wants to talk about it with a counselor or trusted adult great but not force every kid to learn about whatever it is.

School Safety: As a School Board Member, what would you seek to implement to assure a safe and secure environment for both the students and staff of your district?

Open carry by a trained officer/person.

School Board Meetings: What do believe is the correct balance between the authority of School Boards and the rights of the public to present their views during School Board meetings?

To be able to voice your opinion in a structured environment.
